## Eligibility

To be eligible to rent a unit individuals are required to:

- Have a spinal cord injury or physical disability
- Under 18 to be accompanied by parent/guardian
- Arrange all their personal support and required care

## ParaQuad Tasmania Inc.

The ParaQuad Association of Tasmania Inc. is a not-for-profit organisation which has been operational since 1990. The Association's primary purpose is to assist people with physical disabilities, throughout Tasmania, to achieve full participation within their community.

The Association wishes to acknowledge the generous support from the Motor Accidents Insurance Board, Tasmania towards the building of the units.
